

Attention Westover Members,

Westover Hills Club is committed to providing ongoing communication about measures taken regarding COVID-19 (the coronavirus). Please know, this is an ongoing situation. As circumstances change, additional restrictions or closure may be necessary. We ask that you refer to the CDC Link below for any additional health and safety advice.

<https://www.cdc.gov/coronavirus/2019-ncov/community/index.html>

We thank all families for preemptively minimizing potential spread of the virus and for taking extra safeguards.

**If you are experiencing any symptoms associated with COVID-19, please “Do Not” enter the Westover Hills Club property.**

Westover is following the guidance of the City of Austin, Austin Independent School District and the United States Tennis Association and will adjust programs and Club access according to their guidance.

**Our first priority is to keep Staff, Members and the Community safe. As of Friday afternoon, the Board and Staff ‘Do Not’ believe that closing the Club is necessary. However, certain actions are required.**

**Westover Covid-19 Preventative Action Steps:**

- Spring Break Sports Camps are Cancelled – Refunds will be provided
- Water jugs on the tennis courts will be removed
- Ice machine will be locked/disabled
- Gym and Tennis court water coolers will have signs recommending proper use and hand sanitizer (if available)
- Hand sanitizer has been placed around the club for Member use
- Additional signs have been placed around the property regarding the spread of illness and protection recommendations
- Door handles and other surfaces are cleaned with bleach wipes on a regular basis

The Board and Staff will evaluate whether additional actions are necessary next week as group tennis and other classes resume after Spring Break.

- The Club rules permit children that are 12+ to be on the Property without adult supervision. We are requesting that parents emphasize proper hygiene while at the Club and responsible use of sanitizer and toilet paper as these items are in short supply in the Austin area. The Club intends to provide hand sanitizer throughout the Property until supply becomes an issue.
- Adult Lap Swimming will be permitted once the pool is refilled. The CDC has asserted that there is “no evidence that COVID-19 can be spread to humans through the use of pools”.

**Please observe the following Westover Hills Club Protocol for use of our Facilities with others until further notice:**

- Wash your hands frequently with warm soapy water for at least 20 seconds
- “Do Not” greet others with a hand shake, high fives, hugs, or fist bumps
